

Connect to any 10/100 network at full speed via USB 2.0

Connect your USB-equipped desktop or notebook to any 10/100 Ethernet network with the Compact USB 2.0 10/100 Network Adapter from Linksys -- without the trouble of opening up the case of your computer. And with the power of USB 2.0, you'll connect at the full speed your network supports.

To install, simply plug the Adapter directly into any available USB port. (Use the included flexible six-inch USB coupler if your USB ports are too close to the wall.) It's compatible with both USB 1.1 and 2.0 ports, but 2.0 will yield the fastest speeds. The Network Adapter gets its power through the USB connection, so no power cord is necessary. Simply connect your 5 Ethernet network cable into the Network Adapter's RJ-45 port, install the included device driver, and you're networked.

Once you're connected, you can keep in touch with your e-mail, access the Internet, use instant messaging to chat with friends, and share files and other resources such as printers and hard disk storage space with other computers on the network. So get connected the easy way with the Compact USB 2.0 10/100 Network Adapter.

Connects to 10/100 Ethernet networks via USB 2.0, up to 8 times faster than a USB 1.1 adapter

Easy, no-tools setup on any desktop or notebook computer with USB support

Compact size for greater flexibility

Also compatible with USB 1.1 computers

10/100 Compact USB 2.0 Network Adapter

Product Data

10/100 Compact USB 2.0 Network Adapter

Features

- One Type-A Male USB Connector
- One RJ-45 10/100BaseTX Port for Network Connectivity
- Powered by Host PC so no external power supply is needed
- Compact Design - Perfect for use with notebook PCs
- RJ-45 Network port connects to any 10/100Mbps hub or switch
- Backward compatible with USB 1.1 USB ports
- Plug-and-Play compatible with Windows 98SE, ME, 2000, and XP for easy installation
- 2-Year Warranty

Specifications

Model	USB200M
Standards	USB 1.1, USB 2.0, IEEE 802.3, IEEE 802.3u
Ports	One Type-A Male USB Connector, One RJ-45 Port
Cabling Type	Cat 5 Ethernet Cable
LEDs	3 LEDs: Link/Activity, 10/100Mbps, Full/Half Duplex

Environmental

Dimensions	23 mm x 10 mm x 69 mm
Unit Weight	0.068 kg
Power	Powered by USB port
Certifications	FCC Class B, CE
Operating Temp.	0°C to 70°C
Storage Temp.	0°C to 70°C
Operating Humidity	10% to 90%, Non-Condensing
Storage Humidity	10% to 90%, Non-Condensing
