

# Instant Wireless™ Network PC Card

*The Freedom to Work Where You Want,  
The Flexibility to Work How You Want.*

Maximize Your  
Notebook PC!

Instant Wireless™ Network PC Card  
(WPC11)

**A**ttention Notebook PC Users: Put the “mobile” back into mobile computing! Whether you’re at your desk or in the boardroom, the Linksys Instant Wireless Network PC Card allows you to share printers, files, and more anywhere within your wireless LAN infrastructure; increasing your productivity and keeping you “in touch.”

The Instant Wireless Network PC Card gives you the freedom to work your way, from where you want--letting you take full advantage of your notebook PC’s portability, while providing you with access to all your network resources. A high-powered built-in Diversity antenna means that you’re covered--at a distance of up to 800 feet. And since it occupies only one Type II PCMCIA slot, you’re free to use your other slots for additional accessories.

Ready to run in any PCMCIA-equipped notebook PC, and compatible with virtually all major operating systems, the Instant Wireless Network PC Card from Linksys is truly a “must-have” for all notebook PC users.
